

## Podcast Promo Pack

Thank you for downloading the Podcast Promo Pack

This pack contains promotional music files for use within Podcasts to bring them to life and give them the edge they need to compete against all others.

You may use these loops and stings within your Podcasts free of charge but we ask that you **credit the beatsuite.com** music library for supplying this audio to you.

Beatsuite.com has a massive collection of high quality music, loops and sounds for use in Podcasts available to purchase separately or as part of a CD collection.

Check out our CDs here:
